

2014 Retreat Supplies List

Events for everyone

Food:

Please sign up for what you would like to bring at the shop. We are doing this to ensure that there will be a variety of foods to eat.

Early Project Show & Tell:

It will be fun to see where we all started and where we are now! Please bring the earliest knit and/or crocheted project you made. The items will be placed on a table, we will all have a chance to look at the pieces and then try and guess who made which item(s).
